Description:

Explore this charming Uzbek village surrounded by mountain peaks and world's largest walnut forests.

Visit the small and big scenic waterfalls. Experience the local culture while staying with the local communities at their glorious garden-homestays.

Time	Activity
8: 00 am	Breakfast at homestay.
9: 00	We start the day by walking to the Small Waterfall, 20 minutes. At the entrance to waterfall, you will see local souvenir shops lined up along the road selling beautiful handmade wooden souvenirs. They also sell dried apples and apricots. Descend to the waterfall on a rocky trail. Take a photo and see locals enjoying the waterfall splash taken away by a gentle breeze
10:00	Then we walk back to the entrance and head on the Panorama Hill, 30 minutes. Here we can break for the lunch. Take a bird's eye view of the Arslanbob village from the hill. Nice view of the valley opens up.
11:00	After the Panorama Hill, we walk into the forest. You will be delighted to walk under the shadow of 20-meter-high walnut trees. Birds are singing for you all the way you exit the forest. The scent coming from meadows cheers you up. You can spot locals making a hay if your travel comes around August.
12:00	Houses of locals start coming out when you get close to the exit. We leave the forest behind and see the amazing view of Babash Ata Range towering among the clouds. Hike along the stream and arrive at the entrance to the big waterfall. We ascend this 80 meters high Big Waterfall on a slippery scree slope, 30 minutes. The quite steep trail brings you to the hill where you will see a waterfall splashing out from the rock. Enjoy this panoramic view and look back to see the astonishing view of the whole valley lying in front of you. Enjoy the panoramic views. Descend to the entrance and your driver will be waiting for you. Transfer to your homestay and enjoy the home cooked meal.
